- Each paper should be 1.5-spaced in 12 point font (Times New Roman) with 2.5 inch margins on all sides. The headlines and sub-headlines should be in 14 point font.
- Editors of SUSJ reserve the right to make editorial changes in any manuscript accepted for publication for the sake of style or clarity. Authors will be consulted only if the changes are substantial.
- Arabic numbers and the international unit's system should be used.
- Tables, figures and pictures should appear after the reference list.
- Mathematical equations should appear in a sequential order and should be numbered between brackets ().
- Author/s must pay all the expenses incurred in the review process if s/he decides to withdraw his/her research paper whilst it is undergoing review.
- Author/s will be provided with a copy of the journal.
- References should be cited as they appear in the text, enclose the citation number in square brackets, for example [1], and the full reference should be included in the reference list as follows:

Journals/periodicals:

Surname, initials of the first and second name, title, place of publication, volume and issue number and pages numbers.

Review Procedure

After the submission, manuscripts submitted to SUSJ will go through an internal review. If submitted papers meet the basic requirements of SUSJ they are sent out for double blind review from experts in the field. It is common for reviewers who recommend acceptance to also make this conditional on addressing possible errors or issues. If your reviewers make this recommendation then you will be given the opportunity to adequately respond to their feedback by a required date.

Authors are required must make all the changes suggested by reviewers and they should send a detailed report indicating the changes made in the paper to SUSJ.

Submission and Publication Acceptance Agreements

Papers submitted to SUSJ for review and possible publication will not have been submitted for review anywhere else and, if accepted for review, will not be submitted elsewhere whilst the paper is undergoing review. The authors of papers accepted for Review will be asked to fill out, sign and return a submission agreement to this effect. The authors of those papers accepted for publication will also be asked to confirm in an publication acceptance agreement that the paper has not been and will not be published elsewhere. Publication in SUSJ transfers the right to SUSJ to distribute papers, but authors do retain their copyright.

Authors should send their papers to:

Editor in Chiefs comment.

Dear colleagues;

As we publish the Volume 13 of SUSJ, I want to acknowledge the dedicated efforts of our Editors, advisory committee and the contribution of all researchers.

Our editorial board is committed to provide to the scientific community by supporting our young researchers and guide them through the process to publish their research.

Again, we ask all of you to contribute and submit your research papers to SUSJ, you can find the Manuscript submission and publications process in our website.

My best wishes to all of you
